**ANNUAL
REPORT
2026**

In 2025, we challenged our ministry team to **BE HOPE**, inspired by Romans 15:13:
"May the God of hope fill you with all joy and peace as you trust in Him, so that you may overflow with hope by the power of the Holy Spirit."

Our team embraced this calling, and the results were extraordinary. Because of faithful partners like you, Adult & Teen Challenge PacWest continues **Putting Hope Within Reach Until All Live Free**.

This year we completed several key projects, including the relocation of our **Oahu Men's Campus**, the purchase and remodel of our **Missoula SuperThrift store**, new offices at our **Missoula Women's Campus**, the completion of the **Spokane Men's Transitional Housing Dormitory**, a new sports court at the **Spokane Men's Campus**, and the purchase of our newest **Women's and Children's Campus in Gladstone, Oregon**. We also launched efforts in **Southern Oregon**, preparing to open a new men's campus.

Across our **18 residential campuses**, over **1,200 individuals enrolled**, the highest number in our history. During the year, **809 individuals accepted Christ** through our ministry, and **275 were baptized**, experiencing the eternal hope found in Him.

Through **Hope Outreach**, teams served in **Uganda and Cambodia** and ministered locally to those living on the streets and in homeless camps. Our **Decide 2 Impact** prevention program also reached **119 schools**, bringing hope to the next generation.

Our **SuperThrift stores** added nearly **30,000 new loyalty members**, growing the program to **118,000 loyalty customers**. Store sales increased **18%**, while students completed **142,271 hours of vocational training**, gaining valuable job skills while supporting the mission.

Life Renewal Behavioral Health also experienced significant growth, serving **1,981 individuals—a 34% increase year-over-year**—through mental health and substance use counseling services.

The results of 2025 were truly remarkable. As we move into 2026, our ministry theme is **BE BOLD**, inspired by 2 Timothy 1:7:

"For God has not given us a spirit of fear, but of power and of love and of a sound mind."

Thank you for partnering with us through your prayers and generosity. Because of you, lives are being transformed and Hope is reaching those who need it most.

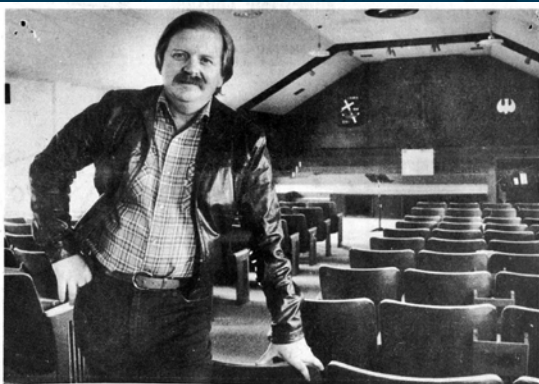

Chris Hodges, President/CEO

“For God has not given us a spirit of fear, but of power and of love and of a sound mind.”

AIDING ADDICTS — Rev. Mike Hodges, executive director of Teen Challenge of Oregon, stands

inside the former First Assembly of God church in Lebanon. Statehouse-Journal photo by Gerry Lewis

Lebanon drug center based on evangelism

By ANN MEADOWBROOK

LEBANON — The Rev. Mike Hodges has opened a rehabilitation center here for drug addicts and alcoholics which, he says, treats its residents through evangelism.

The 40-year-old minister is executive director of Teen Challenge of Oregon, which opened here June 1.

He and his assistants minister to addicts and run a crisis-intervention center from an office in the former First Assembly of God church next to the Lebanon Middle School on Main Street.

By summer's end, Hodges said, he hopes to house 40

The non-profit corporation is funded through private donations, Hodges said.

Before founding Oregon's Teen Challenge, Hodges was pastor of the New Life Center in Albany, a church Hodges said drew 300 to Sunday services. He earned a bachelor of science degree in ministerial studies from Bethany Bible College in Santa Cruz, Calif.

He said he has a special empathy for drug abusers because he used hallucinogenic drugs in the 1960s.

He said the Teen Challenge residents will stick to a rigid schedule of work, counseling, prayer, religious study and exercise.

Students eventually return to their hometowns

The Good News Report began in 1985 when Mike Hodges took to the radio airwaves to share what God was doing through Teen Challenge Oregon, featuring powerful testimonies and stories of hope and restoration.

Today, that legacy continues through the Good News Report magazine — published quarterly by Adult & Teen Challenge PacWest. Each issue shares inspiring testimonies of lives transformed through recovery and a restored relationship with God, highlighting graduate stories and campus updates that celebrate the ongoing impact of the ministry and the **Hope found in Christ**.

"I felt like He was saying 'You may not know what this is going to be like, but I am going to be with you through it all. Walk with your hands open, surrender and I will guide you.' Jesus allowed me to be in an environment where I had accountability and structure in my everyday life. Even though I was still angry and wanted to do my own thing, I knew I needed to be there."

"In 2015, I entered the doors of Big Island Men's Campus of ATC. The director asked me if I was ready to meet Jesus. It was then that I realized how broken and battered I truly was. I remembered my mom and knew that she wouldn't want to see me in the condition I was in. As I continued in the program, I remember seeing all these guys tattooed and broken before the Lord. I got to watch God slowly transform them as well."

Kawika

"At first I was very upset; I felt like my parents had just abandoned me. I was feeling very sad that I wasn't close with them. But then I started seeing how the people at Boise Girls Academy were treating me. Without even knowing me very well yet, they were showing me the unconditional love of Christ. I grew up as a Christian but it wasn't until I went to Teen Challenge that I developed a personal relationship with the Lord."

Makayla

THE PROBLEM

285,000 Americans die each year from alcohol misuse and drug overdoses combined — about **one death** every **two minutes**.¹

FENTANYL is involved in nearly **70%** of overdose deaths.²

\$740 billion spent annually in the **US** dealing with drugs & alcohol-related costs including crime, lost productivity, & health care.³

48.5 MILLION Americans struggled with substance use disorder this past year.⁴

1 in 10 people with addiction receive treatment.⁵

RESIDENTIAL RECOVERY

Life transformation through Christ-centered recovery

In 2025, Adult & Teen Challenge PacWest continued expanding the pathway to lasting freedom. Across our residential campuses, men and women experience restoration through long-term, faith-based discipleship that addresses the root causes of life-controlling addictions and struggles. Our vision remains clear: **To Put Hope Within Reach Until All Live Free.**

Through biblical teaching, vocational development, accountability, and community living, students pursue more than just sobriety—they pursue lives grounded in spiritual maturity and purpose.

This year brought meaningful progress:

- Groundbreaking for two new **Phase 5 Transitional Programs** at the Spokane and Portland Men's Campuses.
- Launch of an additional **Short-Term Discovery Program** at the Willamette Valley Men's Campus.
- Preparation to open the **Rogue Valley Men's Campus** and the **Portland Women's and Children's Campus**, expanding access to life-transforming recovery.

OUR STUDENT COVENANT

VOCATIONAL TRAINING

We were created to be **productive**

SuperThrift is grateful to God for another year of growth, impact, and ministry. In 2025, our stores and vocational training programs continued to grow, with **Loyalty Rewards membership reaching over 118,000 members and 47% of customers participating.**

SuperThrift also experienced strong financial growth, with **sales increasing from \$6.5 million in 2024 to \$7.9 million in 2025. For the first time, two locations—Oregon City and Lebanon—surpassed \$1 million in annual sales**, allowing us to continue investing in our mission and expanding opportunities for students and staff.

As we move into 2026, our focus remains on **faithful stewardship, expanding vocational training, and serving our communities.** Through the work of our students and staff, SuperThrift continues to be a place where **faith, work, and service come together to transform lives and point people to Christ.**

Store Expansion

We proudly opened a **17,500 sq. ft. store in Missoula**, enhancing customer experience. This new location strengthens our growing network of **eight storefronts.**

Leadership

Each day, 70+ students and 80 staff receive hands-on training, **building skills, confidence, and character** through real-world experience.

Mission Impact

Students completed **140,000+ vocational training hours**, building job skills, impacting the community, and inspiring customers with their stories.

BEHAVIORAL HEALTH SERVICES

State-certified, Christ-centered outpatient care

Life Renewal is a Christ-centered mental health and substance use treatment provider delivering trauma-informed, evidence-based outpatient services to Adult & Teen Challenge PacWest discipleship programs and community clinics in **Milwaukie, Oregon; Twin Falls, Idaho; and Pasco, Washington.**

This year we expanded access to care by adding mental health services at all locations and strengthening operations with a **team of five licensed and associate clinicians.**

Life Renewal now serves **approximately 370 clients each month**, with treatment typically beginning within **1-10 days of assessment**. Over the past year, **1,981 people were served**, representing a **34% increase in services**, including **328 uninsured or underinsured clients** who received care.

OUTREACH

Delivering **Hope** beyond our walls

Hope Outreach took the vision of “**Putting Hope Within Reach Until All Live Free**” to our streets, jails, schools, and community to show that changed lives live here. Our teams did not just show up; they stayed—investing intentionally in the people and places God entrusted to us and sharing hope at every opportunity. In 2025, outreach became less about single moments and more about **consistent presence, trusted relationships, and clear pathways into recovery**. Through growing partnerships with churches, nonprofits, and local agencies, we were able to meet people where they were and walk with them toward freedom. The fruit of this work is seen not only in the numbers shared, but in the stories of lives being rebuilt and communities being strengthened.

Evangelism

Declaring the **Word of God** to the hopeless and introducing them to the hope found through Jesus.

Compassion

Like the Good Samaritan, we are **meeting tangible needs** in our communities.

Discipleship

Conducting **community discipleship groups** throughout the region.

Prevention

Delivering the **Decide 2 Impact Prevention Program** to local youth.
